Positioned for Growth Ellen Grove is located approximately 25 km southwest of Brisbane CBD, between established residential communities and the expanding Springfield region. Its position within Brisbane's broader western growth corridor provides access to transport infrastructure, employment centres, schools, shopping, and surrounding residential development. Several factors may support continued buyer interest in the area: 1. Relative Affordability: Ellen Grove has historically offered a more accessible entry point than some higher-priced neighbouring suburbs. 2. Expanding Surrounding Communities: Established Forest Lake and the developing Springfield precinct contribute to the area's wider residential and employment catchment. 3. Infrastructure and Amenity: Existing transport links, nearby retail and
